English

I hold my hope high
I fly high with you
Over the border of time

I'll be always with you
Exploring the world
I will live all my life with you

Refrain:

I have no fear if you are here by my side
There's a wondrous future
Over the border of time

I will always keep your love
Deeply in my soul
My mind has met with yours
I will keep it in my heart

Bahasa Indonesia

Jauh aku terbang
Tinggi ku melayang
Melintasi batas waktu

Ku 'kan bersamamu
Mengarungi dunia
Menjalani hidup ini

Tiada yang kuragu
Bila kau disampingku
Kutatap masa depan nan indah bersamamu.

Cintamu 'kan selalu kutanam dijiwaku
Kusimpan hatimu di dalam hatiku

Back to refrain

Always, always in my heart
